Dear Sir:

INFORMATION DISCLOSURE STATEMENT UNDER 37 C.F.R. § 1.97(b)

Pursuant to 37 C.F.R. §§ 1.56 and 1.97(b), applicants submit the documents listed on the attached PTO 1449. This Information Disclosure Statement is being filed before the mailing of a first Office Action on the merits for the above-referenced application.

Copies of the listed documents were supplied in the parent application.

Applicants respectfully request that the Examiner consider the listed documents and indicate that they were considered by making appropriate notations on the attached PTO 1449 form.

This submission does not represent that a search has been made or that no other documents exist which may be material to the examination of this application and does not constitute an admission that any of the listed documents, or any part thereof,

Application No.: 10/005,438
Attorney Docket No.: TNX95-02ABB
Customer No.: 26839

are material or constitute prior art under title 35 of the United States code. If the Examiner applies any of the documents as prior art against any claim in the application, Applicants reserve the right to present to the Office the relevant facts and law regarding the appropriate status of such documents should the Applicant(s) determine(s) that the cited document(s) do not constitute "prior art".

Applicant further reserves the right to take appropriate action to establish the patentability of the disclosed invention over the listed documents, should one or more of the documents be applied against the claims of the present application.

Respectfully Submitted,

Dated: March 20, 2002.
